**§ 10.470 Licenses for offshore installation manager.**

(a) Licenses as offshore installation manager (OIM) are endorsed as:

- (1) OIM Unrestricted;
- (2) OIM Surface Units on Location;
- (3) OIM Surface Units Underway;
- (4) OIM Bottom Bearing Units on Location; or
- (5) OIM Bottom Bearing Units Underway.

(b) To qualify for a license or endorsement as OIM Unrestricted, an applicant must:

(1) Present evidence of the following experience:

(i) Four years of employment assigned to MODUs including at least one year of service as driller, assistant driller, toolpusher, assistant toolpusher, barge supervisor, mechanical supervisor, electrician, crane operator, ballast control operator or equivalent supervisory position on MODUs, with a minimum of 14 days of that supervisory service on surface units; or

(ii) A degree from a program in engineering or engineering technology which is accredited by the Accreditation Board for Engineering and Technology (ABET). Director, National Maritime Center will give consideration to accepting education credentials from programs having other than ABET accreditation. An applicant qualifying through a degree program must also have at least 168 days of service as driller, assistant driller, toolpusher, assistant toolpusher, barge supervisor, mechanical supervisor, electrician, crane operator, ballast control operator, or equivalent supervisory position on MODUs, with a minimum of 14 days of that supervisory service on surface units;

(2) Present evidence of training course completion as follows:

(i) A certificate from a Coast Guard approved stability course approved for an OIM Unrestricted license or endorsement;

(ii) A certificate from a Coast Guard approved survival suit and survival craft training course. Prior to July 1, 1995, the requirement may be waived at the license applicant's request. However, the license will be issued with an endorsement on the reverse side which states, "A Coast Guard approved survival suit and survival craft training course must be completed prior to license renewal.";

(iii) A certificate from a U.S. Minerals Management Service approved blowout prevention and well control training program for the driller, toolpusher, or operator representative position;
